RE: No Time Cost Extension for the NNEPA Superfund Program's Current
Cooperative Agreement Grant No. V-01F09101

Dear Ms. Thomas,

The Navajo Nation Environment Protection Agency (NNEPA) Superfund Program is requesting for a No Cost Time Extension to extend its budget and project period of the current Cooperative Agreement, V-01F09101. This No Cost Time Extension will be from October 1, 2017 through September 30, 2018 for the Prewitt, NM and UNC Church Rock, NM project sites. This extension allows NNEPA to continue and complete its work activities as stated in the approved Scope of Work and is at no additional cost to the government.

Your consideration and approval of the request for a No Cost Time Extension with carry-over of funds are appreciated. Thank you for your time. Should you have questions, please call me at (928) 871-6859.

Sincerely,

THE NAVAJO NATION
